## THERE IS A HERO IN ALL OF US

Chuck Leggett is a tireless advocate for enhancing kidney care in Colorado Springs and across the nation. A dialysis patient for eight years before receiving a kidney transplant, Leggett continues to advance care for end stage renal disease by organizing visits to dialysis facilities for state lawmakers; traveling to Washington, D.C., to lobby for additional kidney care funding; and regularly visiting his old dialysis facility to help keep patients encouraged and empowered in their care.

**Heroes are all around us. Thank you, Chuck, for making quality kidney care possible.**

**IMPROVING LIVES THROUGH EMPOWERMENT**
