THERE IS A HERO IN ALL OF US

Anna Fuqua is a dedicated daughter, wife, mother, grandmother and great-grandmother working passionately to advocate for quality kidney care for dialysis patients in Owensboro. Anna empowers patients to learn more about their condition and informs others in the community about issues that are important to dialysis care. In her dialysis center, Anna educates her fellow patients about their care, encourages them to remain engaged and positive, and energizes those around her.

Heroes are all around us.

Thank you Anna, for making quality kidney care possible.

IMPROVING LIVES THROUGH EMPOWERMENT
